

## Parent Volunteer Information

Minatare Public Schools would like to make all parents feel welcome in our buildings. We also welcome your involvement and any help that you might be able to offer. Parents who are aware of school happenings and activities can better understand what their children are doing and can also help them to achieve their educational goals more easily.

If you are able to volunteer some time during the school day, please look at the list of possible jobs below. Most of the positions do not require special training. Please fill out the blanks provided and return the form to the high school office.

Thank you for your interest in our school and our students. Let's grow together!
